4th Grade Summer Activities & Reading Requirements	
Math	All students should be fluent in their <u>multiplication facts 0-12</u> by the start of their 4th grade year. Please practice these facts. Quizzes will be given on these facts at the start of the year.
Social Studies	Neatly label the states and research the regions in the attached flip book throughout the summer. Begin identifying the states and where they are located in our country. You will have quizzes at the beginning of the year to identify each of the states in their region. Please join Mrs. Cooke's Google Classroom for reference material about each of the 5 regions. This will help greatly in the summer work! Class code: qkexwfx
ELA	Students entering fourth grade are required to read 2 books: the required book and 1 book from the Choose One reading list . The required book will be part of a project during the first few weeks of school. The other book will be the first AR test taken for the year.
